

### **DETAILED ACTION**

1. In response to the previous office action, Applicant has cancelled claims 1-16 and added claims 17-28. Claims 17-28 have been examined.

### ***Allowable Subject Matter***

2. Claims 17-28 allowed.

3. The following is an examiner's statement of reasons for allowance: Applicant has persuasively argued (see Remarks, filed 19 February 2008) that the cited art does not teach to all of the limitations of the claims. No further art could be found that would render the claimed invention unpatentable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
